FIVE FAMILY MEMBERS

In December, the area director of Mexico called to tell us we have been asked to work in Durango City, Mexico. We also found out about a former missionary to this area that gave 43 years of her life to the people of Mexico. I decided to call her around Christmas time so I could learn more about Durango. She cried when I told her that we were going to Durango and she said she has been praying since 2000 that God would send missionaries to Durango to pick up where she left off. God's plans are bigger than ours and His ways are higher than ours.

In His Service, *Daren*

Recently I have been reminded of the itineration experience that I had as a teenager when we were raising funds to go as missionaries to Colombia. It is quite different being the adult than the child. God's plans are amazing as He molds and shapes us into who He wants us to be. He prepared me as a child for the ministry He is calling our family to do today. We are currently on the road every weekend traveling and sharing our passion for missions and Mexico in churches all over Oregon.

Blessings, *Heidi*

Hello, I'm Josiah. I'm 5 years old and love going to Kindergarten. I'm very excited about going to Mexico. God told me we will do clowns and puppets in Mexico. Recently I told my parents that Jesus comes to all our services because He lives in my heart.

Hi, I am Nicolas. I am 3 and at the fun age of learning boundaries at least that is what my parents say. Playing with my big brother is fun. I love to do puzzles and I also like going to the park.

I am Kenan and am 5 months old now. Just feed me, let me sleep and play, and I'm pretty happy. I'm trying new foods and would like to play with my brothers, but haven't figured out how to move much yet.

HELP WANTED!

FINANCIAL HELP: As missionaries with the Assemblies of God, we have to raise a budget of monthly commitments before we will be released to go work in Mexico. Although offerings are a great blessing and help with our cash budget, we are not given approval to leave unless our monthly commitments are met. Currently, we are at 15% of our monthly commitments. This means that we have 85% more to raise. Thank you to all the individuals and churches that have made commitments already.

PRAYER PARTNERSHIP: We cannot go without your prayers. Please pray for us to raise the funds we need and for open doors of opportunity. Also pray for our children as they adjust to traveling and meeting so many new faces. Pray for our health and safety, as we are on the road every weekend and some times during the week. If there is anything we can pray with you about please do not hesitate to let us know.
